

DFC/DWD Partnership

Project Update

Development of Stakeholders

- Role of stakeholders
 - Keep apprised of current status of the project.
 - Share information with staff and community partners.

Who are the stakeholders?

- Comprised of local office DFC staff:
 - Local Office Directors
 - Family Case Coordinator Supervisors and Family Case Coordinators
 - Public Assistance Caseworkers
 - Clerical Staff
 - IMPACT Consultants

What was the agenda?

- Provide an overview of the DFC/DWD Partnership Project
- CSE Overview
- Input on how members feel that the partnership will effect their job
- How this partnership can be accomplished

What was the agenda?

- What is necessary for each employee to do to make this partnership successful for everyone: employees and clients
- Roles of Stakeholders - Communication, marketing, and staff development
- Future collaboration within group and with DWD staff

Internet Site for the Project

- Website Address:
 - <http://www.in.gov/fssa/children/dfc/dwd/index>
- Site will provide up to date information on the project, status reports for committees, Q & A's, and other pertinent information.

Statewide Consortium Mtg.

- Agenda to developed for a statewide meeting of One Stop Operators and WIA partners to discuss the advantages of including the DFC as a consortium member.

Cross Training and Technology

- Security levels for obtaining information.
- Development of training materials and plan for training rollout.

Next Steps

- Survey of local office resources and assets
- Implementation of marketing plan
- Joint meetings with DFC/DWD stakeholders.
